

JA Bateaux Dubai

*It's more than just
a cruise, it's a unique
dining experience*

DINING WITH A DIFFERENCE

Take your taste-buds across the Dubai Creek as you set sail on this luxury cruiser for a truly unique – there are only three others like it in the world – dining extravaganza that will blow you away. Step on board and discover floor-to-ceiling windows with 360 degree views of the dazzling iconic landmarks along the bustling water-side of Dubai Creek. The stunning views accompanied with the refreshing atmosphere, provide the perfect accompaniment to a mouth-watering four-course set menu.

KEEP IT COOL

As the city's warm, sticky summer evenings take hold, sit back, relax and enjoy the sound of the waves lapping against the boat in the luxurious comfort of an air-conditioned

suite as delicious five-star cuisine is perfectly prepared and plated by the expert chef in the on-board kitchen before being served by warm, smiling waiters. The delightful dinner experience offers picturesque views perfectly combined with a tasty selection of international dishes, succulent meats, salads and soups – all finished off with a choice of sweet tooth-satisfying treats for desert

Being one of only four Bateaux cruises in the world, this magnificent experience should be on top of everyone's to-do list, particularly if they want to celebrate a birthday, anniversary of special occasion in style.
